WOODEN TOYS

Walachia has been making high quality traditional and educational wooden toys in Czech republic for over 25 years. We use beech and pine wood from Czech forests. At the beginning we had 5 types and now we are producing 45 types of kits.

With our kits often both the adults and kids are entertained. Our kits are educational, aesthetic and natural toy, which is environmentally friendly and safe for children.

Our kit develops a child's imagination and manual skills, teaches them patience and logical reasoning and show them that even in today's world full of technology classic toys are not boring.

Long life of kits is provided by a combination of quality solid wood and perfect processing. Thanks to used massive wood, wooden kits look like real constructions.

WALACHIA® kits were awarded the prize “Proper Toy” that is received by toys that meet number of criteria from quality through health safety and hygiene to educational benefits for the child. All kits have CE certificate.

VARIO

- assembled and dismantled building set
- children from 5 years will experience hours of fun
- 9 compatible variants
- building from real logs

The set contains beech parts of 15 mm in diameter, of various lengths with locks at the ends. It is possible to build from it more variants of different buildings according to your own ideas. Vario support children's imagination, well-made wooden toys are naturally smooth to touch, completely safe to play with and will last a long time.

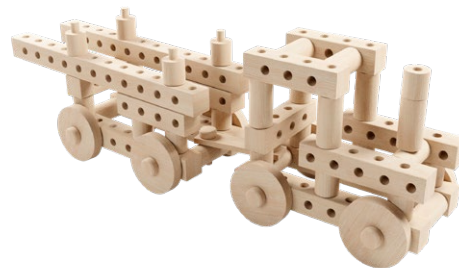

HOBBY KIT

CREATIVE KIT

- glue-together wooden building set
- for children from 8 years and adults
- 34 models Hobby kit and 11 models Creative kit
- building (1:32) and miniatures of a variety of objects from real prisms

The set contains cut wooden prisms of 9 x 9 mm, gables, roofs and bases, doors, windows, even foil representing glass and step-by-step diagram instructions, i.e. pictograms, with symbols for separate working acts. An educational and environmentally friendly toys that will look great as part of a model railway or imaginative play scene setting. Needs wood glue.

CONSTRUCT

- assembled and dismantled building set
- for children from 3 years
- 5 variants of packaging
- simple shapes for small children's hands

The set contains cylinders and beech prisms measuring 32 x 32 mm in lengths from 32 to 384 mm with holes. They are mutually compatible and allow children to build dozens of variants of models of vehicles and animals. In a simple way, children practice their fine motor skills and can build anything they can think of - there are no limits to creative fun.
